Senior Consultant (m/f/d)

Description

To strengthen our team in **Stuttgart** or **Oldenburg (Oldb)**.

Responsibilities

- You are a technically competent advisor to our customers as well as in the team within the scope of our customer projects as well as in Presales.
- Our projects involve the implementation and integration of our software solutions for database publishing, often with partners in the fields of product information management (PIM), media or digital asset management (MAM/DAM).
- You are responsible for providing technical advice to the customer in direct contact as well as for the evaluation and creation of conceptual documents.
- You conduct workshops with the customer's business departments and IT.
- You evaluate the customer's requirements according to qualitative as well as quantitative aspects, thereby supporting the project manager and advising the customer on the optimal use of InBetween software solutions.

Hiring organization

Inbetween Deutschland GmbH

Employment Type

Full-time

Industry

Consultant

Job Location

Friedrichstraße 39, 70174, Stuttgart or Oldenburg (Oldb), Germany

Date posted

18. January 2023

Qualifications

- You have relevant experience in customer consulting, preferably in the areas of print, PIM or MAM/DAM.
- Based on your analytical, conceptual and organizational skills, you actively contribute to classic, agile or hybrid projects.
- You can also formulate more complex requirements in the form of user stories in exchange with stakeholders, and evaluate, prioritize and communicate these as the basis of requirements management.
- You are already familiar with JIRA and Confluence.
- You have a university degree in the field of computer science, media or business informatics, print and media technology or a comparable course of study (in economics).
- You can communicate fluently in German and English, both orally and in writing.

Job Benefits

- Full-time employment (part-time employment is also possible by arrangement).
- Unlimited employment contract.
- Challenging, varied and interesting activities with a high degree of personal responsibility and scope for creativity.
- A workplace in the Stuttgart city center, directly to the Schlossplatz.

- In the future, homework is possible after successful training.
